

Cognitive Behavioural Therapy Advanced (2 Days)

Our Vision

At PRIMEXL we aim to be the partner of choice in the creation of better organisations and better lives.

Our Values

We value:

- **Meaningful relationships**
- **Premium quality services**
- **Innovation** – we are always looking for ways to add more value to our clients
- **Accountability for our performance**

Designed to enhance and build on the knowledge and skills gained in the Cognitive Behavioural Therapy – Introductory workshop, PRIMEXL's Advanced CBT workshop provides an in-depth understanding of the cognitive model that will inform effective treatment decisions and interventions.

Participants will be guided through the theory underpinning this skills based workshop and given an opportunity to rehearse their new skills in a structured environment through the extensive use of personal practice, real case discussion and question/answer time.

Dates

Wednesday 28th & Thursday 29th April 2010

Tuesday 7th & Wednesday 8th September 2010

Investment \$396
